## The Times of our Life

Even though the work of school is over, stable life is busy. We are excited to have so many folks taking lessons and coming to visit. Charlie is here M,W, F afternoon. Mary Kelley is here six or seven days a week. Our great nephew, Tyler, is here daily cleaning stalls. Dawson is riding three days a week. Carrie is here practicing. The grand kids are in and out. It is a blessed life we live.

We enjoyed the International Mountain Horse Show, The Derby Dash, held in Shelbyville May 5th - 6th. We had never been to this venue before. There was a covered warm up in the barn and we showed in an enclosed stock

barn. The main arena for the venue is actually outside. It is a very nice facility. We were glad that Mike and Janet were able to be with us for the show. The horses all did well. Sedona won the Men's Trail class and the Trail Pleasure Championship. Moriah won the Mares/Geldings Country trail class and placed reserve in the championship! Sheba's Pride (Tucker) was a big hit as well winning the Novice class with Janet, the You and Me class, and the Mares/Geldings Trail Pleasure class. Julie Tucker did an outstanding job with River winning the Novice class and placing 2nd in the championship! Ruby won all her classes with Stormy. She was so excited about the Juvenile Championship and Trail Obstacle (which was really difficult!). Moonlite Golden Nugget was great winning his class. It was a great show for us. We were glad to get back in the swing of things in the show ring. The following weekend Charlie, Mary Kelley, and Sarah took a few horses to the Hope First Church of God 12th Annual Fun Show while Bob and I went to James' graduation in Hardisburg. They had a great time contributing to a good cause. It was Sarah's horse, Meant to Be's, first show and he won both his classes with Charlie! Duncan

made two great performances placing 2nd. Other horses did a good job as well. Last weekend we went to the RMHA Russell County Jaycees Show. It was a beautiful day for a show and our first time at that facility. The turn-out was good especially considering how many shows there were that weekend. Our horses did such a nice job showing out of the trailer. We used to have several county fair shows each year but those opportunities have diminished over the years. We were especially proud of Carolynn Tucker showing River for the first time. She has had such a great relationship with Jazzy and Stormy but she is moving on up in the ranks learning and growing. River did a nice job with her as well as with Bob and Julie in their classes. Hats off to Tank for a great performance in the Stallions Trail. Moriah won and Sedona placed 2nd. River also placed 2nd with Bob. Rachel and Ruby both won a class. It was a fun night showing off some wonderful horses!

## The Times of our Lives, Continued from p. 1

**RMHA Ballots should have been received. Please vote for candidates of your choice! Read the By-law changes and vote to**

Even though it seems early, it is time to reserve stalls for the 2017 RMHA International. I have touched base with most of you so we'll get that request in asap. We hope to be where we were last year.

We are asking that everyone look at your schedules and help us decide where you'd like to go show for the summer show season. The shows that we are definitely planning to attend with you all are marked with an \* on the first page. The IMHSA will be having a World Show. Unfortunately, it is currently scheduled the week before the RMHA International and the KMSHA International is scheduled the week after the RMHA International. That is a lot of showing! There are also some other conflicts. Look over the schedule and we'll see what we can do. We are gearing up for the upcoming weekend and looking forward to the KMSHA Summer Kick Off. Remember this show begins at 10:30 AM on Friday. We won't have much time to practice so we will do what we can on Thursday. We have requested the same stall location but I'm not certain that will happen. I will let you know of any change. Bring lots to drink - it will be another hot one. See you soon!

**Please be in prayer for Erin.** She will be having back surgery on June 15th at 10 am to repair a herniated disc. It is an out-patient procedure and the surgeon feels her pain should be gone once he takes care of the problem. There is a three week recovery time where she has to stand or lie down . . . She isn't supposed to sit or drive. It will be difficult to make that happen but she is committed to doing what the doctor says. Please whisper a little prayer that God will guide the doctor's hands and she will soon be well.

### IMHSA Derby Dash

Sundown Sedona  
Mares & Geldings Trail - 3<sup>rd</sup> - Robert  
Adult Trail Obstacle - 3<sup>rd</sup>

Trail Pleasure Championship - 3<sup>rd</sup>

Sundown Sedona  
Mares & Geldings Trail - 2<sup>nd</sup> - Robert

Tank Commander  
Stallions Trail - 1<sup>st</sup>

### A Note About May's Invoice

Usually, clients are pre-billed for stalls for the upcoming shows. However, clients have NOT billed for Lawrenceburg stalls. There were three shows in May and since the KMSAH stalls can be on a credit card, invoicing will be done for that show on July 1st.

**Happy Fathers Day**
