Summer Shows

SRF had several opportunities to participate in some fantastic shows during the month of June. On the 9th and 10th we were in Lawrenceburg at the **KMSHA Summer Kickoff**. It was great to have Steve and Susan with us as well as having Carolynn and her family. We were excited to see Nancy come on Saturday! Elizabeth, Troy, and Lily made it to Lawrenceburg as well as Mike and Janet. We were able to get to the show on Thursday which allowed us to practice and get horses accustomed to the ring. On Friday the show began for Janet with an unfortunate accident. Tucker shied on the far end of the ring by the metal surrounding the ring. As he moved toward center ring, Janet lost a stirrup and slid to the ground. She walked from the ring and after considering her level of discomfort decided to go to the hospital and be checked out. After an exam, she learned a rib and her pelvis how awful for her! Bob and Lyngle and Steve and Susan went to Frankfort on Sunday to check on her. After a few days in the hospital, Janet went to her sister's home for a week and then her mother flew to VA to help the following week. The good news is that Janet is back at work and the doctor is pleased with her progress! She is hoping to ride later this

fall. We are so glad she is doing well.

SRF also went to the RMHA Summer Jubilee and the Summer Classic in Harrodsburg on June 31 and July 1st. We've always loved Harrodsburg and last weekend was no exception. We were so happy Steve and Susan were able to join us. Rachel was dropped off on Friday as well. She has been bitten by the show bug I do believe. Elizabeth really wanted to come us but Lily had her 4H competition in Indiana (con't p. 2)

but they couldn't be two places. We were thankful to have Cole with us to help saddle horses and to give Mary Kelley a hand. We were really busy at this show. There were lots of classes and opportunities to show. The horses did well but didn't always tie as high as we expected. We were excited for Tank who won one of his 3 year old Trail Pleasure classes and placed second in the other. Moriah, Sedona, River, and Stormy all had first place wins. River did really well placing reserve in his trail obstacle class even though it was his first time out. We feel so blessed to share in your lives and the lives of these wonderful horses!

73rd Owingsville Lion's Club Charity Horse Show

July 3rd was spent in at the historic Lion's Club show. It was not sanctioned with the RMHA this year so we just took Duncan and Stormy. The multi-breed gaited show was well attended. The show has developed quite a history over the years and the community turns out with a lot of support.

Thanks for

Thank you for all your prayers and support for Erin during her surgery and time of recovery. Many folks brought food, helped with things around the house, or invited Ruby over. Erin is doing so well. The original back pain is gone and she's dyeing yarn again. She still has to avoid sitting for awhile but she is, thankfully, on the mend.

RMHA International

Plans are being implemented for the 29th annual RMHA International that will be held at the Kentucky Horse Park September 7th through the 9th. Stalls haven't

been reserved and pre-paid. As always there will be lots of classes, special awards, and fellowship during the show. This will be the first year that school won't be a conflict for me and I'm looking forward to being available more than in the past.

There will be a new web site for the International available in the next few weeks that will have lots of information about the events and fun times.

Since I am on the International Show Committee it falls to me and my fellow committee members to solicit sponsors to help make the show the highlight of the year. We depend on generous folks to help that happen. If you, or any vendors you use are able to help, there are several packages that include everything from box seats to program ads and much more. Benefits are better with the larger packages. It would be great if we could go together and have a \$2,500 Platinum sponsorship. If you'd like to contribute, let me know. You all are always so helpful when it comes to sponsoring the shows! Thank you for your past contributions. You all are awesome!

Welcome Back

We'd like to welcome Friskie and Mosheh back to the farm for a tune up. We are delighted to have them back working on conditioning and learning new skills.

Condolences

Please be in prayer for Tim and Marcia Spencer. Tim lost his dad this week after a long illness. Tim was very close to his dad and he will be greatly missed.

State 4H Competition

Many of our RMHA Youth have been participating in the State 4H competition at Broadbent Arena in Louisville this week. Carrie did well in her classes. So much time and effort go into show-

manship, western, English, equitation, and with the drill team. Thank you to coach, Julie Tucker (assisted by Mary Kelley) for all they did for the practices and everything they did for the team!

Congratulations to all for a super job!
